TESTIMONIALS

“

Shona Care Ltd has been a blessing for our family. Their specialized dementia care program made a world of difference for our mother, who was struggling with Alzheimer's. The Care Professional assigned to her was not just highly trained but also compassionate and patient. They engaged her in stimulating activities, and we saw a remarkable improvement in her mood and cognitive abilities. It's truly heartwarming to witness the positive impact of their care

We cannot thank Shona Care Ltd enough for the exceptional care they provided for my husband during his battle with Cancer. Their Care Professionals went above and beyond to ensure his comfort and well-being. They not only helped with daily tasks but also provided companionship that lifted his spirits. Our family is immensely grateful for their dedication and support during a challenging time

When our uncle was diagnosed with Motor Neurone Disease, we were overwhelmed with the challenges ahead. Shona Care Ltd stepped in and provided expert care that exceeded our expectations. Their professionals were not only skilled but also empathetic, making our uncle feel valued and cared for. The flexibility of their care plans ensured that he received the support he needed as his condition progressed. Thanks to Shona Care Ltd, our uncle spent his final days with dignity and surrounded by love
